159 Seiten

Kurzbeschreibung

Each unit covers language input - grammar, vocabulary, everyday English - and skills development (reading, speaking, listening, and writing) to create a complete syllabus for students. This level, Elementary, is where the Music of English feature first appears. It focuses on stress and intonation in Everyday English so students start to sound natural in conversation. Synopsis

This is the Elementary edition brought right up-to-date, with new topics and new features. The "Workbook", "Teacher's Book", "Teacher's Resource Book", Audio CD, and CD-ROM have all been revised.
