Kurzbeschreibung

Nur wenige Fotografen vermögen die männliche Schönheit so gut einzufangen wie der New Yorker Fashion-Fotograf Rick Day. Veröffentlichungen in der Elle, Genre, Details, Teen Vogue und GQ belegen das. Bei Bruno Gmünder ist er einer der Top-Fotografen mit Büchern wie z.B. der Players-Serie. Sein neuester Coup hatte sich bereits als Kalender angekündigt und erscheint nun auch in Buchform: Rick Day Bel Ami. Über den Autor und weitere Mitwirkende

A true Southerner, self-taught photographer Rick Day moved to New York City in 1994 and has become a noted name in Fashion Photography. His work has been published in numerous publications such as Elle, Details, Teen Vogue and GQ and shot advertising campaigns for Gap, Ritani and Rufskin. When not traveling, he spends his time in the East Village with his dogs Mila and Luna always shooting the hottest faces in the industry. In a generation where beauty is obsession and sex is a product, he seems to have flawlessly cataloged the world's sexiest exhibitionists, in their most intimate moments, with his coffee table books PLAYERS and PIONEERS. A true Southerner, self-taught photographer Rick Day moved to New York City in 1994 and has become a noted name in Fashion Photography.
