From the Publisher

Essential equipment for every SCUBA diver.

This guide is a ready reference for a diver in an emergency. It covers everything from basic first aid to treatment of such diving-specific ailments as decompression illness, squeeze, carbon dioxide toxicity, oxygen toxicity and others. Emergency phone numbers are included that activate DAN's emergency support and response system. Water-proof, durable, tabbed for quick access to information, this book belongs in every divers gear bag! The Divers Alert Network (DAN) is a non for profit scuba diving safety association affiliated with Duke University Medical Center.
