Ever since he was old enough to walk, Tom Sarc has tormented others. Now, in his hilarious book, E-Mail Letters From A WACKO! he continues his torment as an adult. E-Mail Letters From A WACKO! is made up of an unending stream of some of the most hilarious exchanges of e-mails put together! Drawing on his corporate management background, where he learned about the simple-mindedness of the corporate structure, people and practices - Tom launched a kamikaze crusade against corporations, associations, organizations and individuals with some of the stupidest, WACKIEST e-mails ever...asking them the most outrageous questions and making the most bizarre requests (and receiving surprisingly earnest responses back)! You will split your pants laughing!
