Kurzbeschreibung

*They say that behind every great man is a great woman...but what if that woman is a Werewolf?*

***"Consistent characters, intriguing plots, and just enough twists to keep you on your toes." Amazon Five-Star Review***

*North Chicago begins to thrive while a return trip to New York City shows Terry and Char something they didn't expect.*

*Terry Henry Walton envisioned the Force de Guerre as a unit to keep evil away from those who wanted to live in peace. Akio is of the same mind, but he sees the whole world as a place that needs the protection that Terry and his people can provide.*

***On behalf of The Queen Bitch, Akio recruits the FDG to take the fight overseas to stop an army.***

***"The saga of TH, Char, and the Force de Guerre continues full steam... The characters are real in their interaction with each other. The story is absolutely great. I love the honor, loyalty, and humor projected through the book." Amazon Five-Star Review*** Kurzbeschreibung
