Présentation de l'éditeur

Clever, fantastic, authentic Indian food in minutes not hours. Years of mums passion and knowledge carefully adapted to save hours of traditional cooking time. These working girls want the real thing at home like Mum used to make but of course don't have the time. Now anyone with this book can do it! Also includes online suppliers of spices and other ingredients. We have a deep affection for Indian cookery and we would like to be cooking the real thing, if only we had the time. This book provides fantastic, authentic eating in as little as 15 minutes. As young girls, Babita and Win learned from their mothers as they learned before them and they can cook everything the traditional way. But now they don't have that kind of time. They have worked so imaginatively to use simpler, speedier everyday ingredients and methods that still produce their fantastic, authentic food. It's a wonderful opportunity for those who love Indian food. Download and Read Online Quick & Easy Indian Curry in a Hurry: Real Indian Meals in 20 Minutes Babita Taneja #8BGIX7PFKLR
